

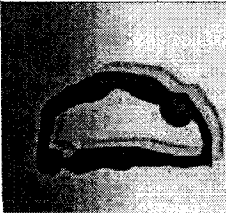

# **EXHIBIT 15**

Next

In order to use all the features of Club Nexus, you need an account. You can sign up by completing three easy steps. The registration takes approximately three minutes, at most.

Sign up!

**The hub of Club Nexus' database of over 2,200 Stanford students. Conduct searches based on multiple categories, find members' profiles fast with the alphabetized index, and see who is the most connected and socially active in the Nexus community.**

The *Connectors* are those Club Nexus members with the shortest average social distance ("average shortest path") to anyone in the Club Nexus network.

	name	avg path	username
